Our Mission:

The Basin Burnout Foundation exists to raise critical funds for veteran organizations, ensuring that the individuals who served our country receive the support, resources, and recognition they deserve. Through the Foundation's efforts, direct financial impact is provided to nonprofits that are making a difference in the lives of veterans and their families.

Our Vision:

Our vision is to be the leading community-driven foundation in West Texas, known for uniting people in celebration and service, while ensuring veterans receive the care, respect, and opportunities they have earned.

Our Annual Event

Each year, thousands gather for a weekend of BBQ, live music, exhibitors, and networking opportunities, all while contributing to life-changing support for veteran organizations. What began as a local cook-off has grown into a signature community event, generating

hundreds of thousands of dollars in direct support for veteran nonprofits. Basin Burnout blends entertainment, outreach, and philanthropy into one weekend that truly embodies the spirit of the Permian Basin.

BBQ Cook-Off

The BBQ Cook-Off is the centerpiece of Basin Burnout. Dozens of teams fire up their pits, serving up everything from brisket to ribs in a spirited competition that draws crowds and fuels our mission.

Music Festival

Local artists take the stage during the day and big-name performers headline at night. From start to finish, the music festival creates the energy and excitement that make Basin Burnout unforgettable, and brings in attendees from across the area.

Exhibitors

Basin Burnout brings together businesses, nonprofits, and community organizations to showcase their work. Exhibitors gain valuable exposure while aligning with a cause that deeply resonates across the Permian Basin.

Community

The event is a hub for connection while giving back. Teams, sponsors, veterans, and community members come together to build relationships, collaborate, and strengthen the ties that make this region so unique.

Our Impact

Basin Burnout is built on the power of community. Every dollar we raise comes directly from the energy, passion, and generosity of the people and organizations that make our annual event possible. From the teams competing in our BBQ

Cook-Off, to the businesses sponsoring and exhibiting, to the thousands of attendees who come out each year — every contribution helps us fuel veteran-focused organizations and strengthen their ability to serve.

Since its inception, Basin Burnout has raised more than **\$500,000** to distribute to veteran and community organizations through:

BBQ Competition Teams

The BBQ Cook-Off portion of the Basin Burnout is more than just a contest. Each team that registers contributes directly to Basin Burnout's fundraising efforts, turning their passion for barbecue into meaningful support for veterans. The competition draws teams from across the region, creating an atmosphere of camaraderie and spirited rivalry, all with the shared goal of giving back. Teams can also purchase additional tickets, VIP tables, and various sponsorship opportunities to increase their impact.

General Attendance

Basin Burnout is a true community event, open to the public and welcoming thousands of people from across the Permian Basin and beyond. Attendees purchase tickets to experience a full weekend of BBQ, live music, and community connection. Every ticket sold directly contributes to the total funds raised, making each guest an important part of the impact we're able to achieve for veteran organizations.

Sponsors

Sponsors are the backbone of Basin Burnout's success. Local and regional businesses step up year after year, investing in our mission while gaining meaningful visibility in front of thousands of attendees. Sponsorships not only provide vital financial support but also demonstrate a company's commitment to honoring veterans and strengthening the Permian Basin community.

Exhibitors

Exhibitors bring energy and connection to the event. From showcasing products and services to offering interactive experiences, exhibitors engage directly with attendees while supporting the Foundation through their presence. Their participation creates a dynamic marketplace atmosphere, while also fueling the greater mission of raising funds for veteran organizations. We are proud to host several veteran organizations at no charge to assist in their awareness with our attendees.

2025

Our largest impact to date.

Thanks to our incredible supporters and partners, the 2025 Basin Burnout was our most successful event yet, with funds raised **increasing by 28%** compared to 2024.

In 2025, Basin Burnout reached new heights. Moving into a larger venue allowed us to welcome more people than ever before, creating space for bigger crowds, more teams, and stronger community connections. The result was our most

successful year yet — \$210,000 raised to support veteran organizations. The new venue gave us room to grow, and our community showed up in full force: 41 BBQ teams, 71 sponsors, 28 exhibitors, and a record 5,000 attendees.

The 2025 Basin Burnout raised
\$210,000.

Every dollar raised goes directly toward supporting veteran organizations. In 2025, that meant \$210,000 distributed across local and national nonprofits dedicated to serving those who have sacrificed for our country. Together, we turned one weekend of BBQ, music, and community into life-changing support for veterans and their families.

2025 Beneficiaries

We carefully select our beneficiaries to ensure every dollar raised goes to organizations making a **measurable difference** in the lives of veterans.

Boot Campaign Beneficiary Since 2022

bootcampaign.org

Uniting Americans to honor and restore the lives of Veterans and military families through individualized, life-improving care with a combination of programs that address not only the mental and physical wellbeing of Veterans, but also their quality of life.

Reel Thanx Beneficiary Since 2016

reelthanx.org

Honoring our military service members, both active and retired, for their patriotism, bravery and love of country by getting them back to nature. Offering fishing excursions so they can focus on what they can do, not what they no longer can.

VFW Post 4149

vfw4149.org

Fosters camaraderie among veterans while providing charitable support, preserving military history, and promoting patriotism and service to country.

Mil2Civ

mil2civ.org

Assisting our veteran population in times of crisis by providing them with a hand-up, not a handout thereby improving their quality of life, offering hope, and reconnecting them with a supportive community much like that of their time in the military.

We Are Not Forgotten

wanf.org

Provides veterans with local gatherings and weekend getaways in a safe, supportive environment that fosters camaraderie, connection, and mental well-being.

Forging Forward

forgingforward.org

Supports active duty service members, veterans, first responders, and Gold Star Families through services and activities that foster connection, resilience, and suicide prevention.

Toys for Tots

odessa-tx.toysfortots.org

The U. S. Marine Corps Reserve Toys for Tots Program collects new, unwrapped toys during October, November and December each year, and distributes those toys as Christmas gifts to less fortunate children in the community.

Midland College Veteran Fund

midland.edu

Helps student veterans pursue their education by providing financial assistance for tuition and related expenses.

Project2Fourteen

project2fourteen.com

Provides outdoor therapy programs and local support services that connect Permian Basin veterans through recreation, networking, employment assistance, and community service.
