The Basin Burnout Foundation is a non-profit 501(c) 3 organization. In accordance with IRS regulations, your support is tax deductible to the fullest extent of the law.

Our Mission

The Basin Burnout Foundation exists to raise critical funds for veteran organizations, ensuring that the individuals who served our country receive the support, resources, and recognition they deserve. Through the Foundation's efforts, direct financial impact is provided to nonprofits that are making a difference in the lives of veterans and their families.

Our Vision

Our vision is to be the leading community-driven foundation in West Texas, known for uniting people in celebration and service, while ensuring veterans receive the care, respect, and opportunities they have earned.

"As a first-time participant, Basin Burnout exceeded our expectations! Beyond the great food and friendly competition, what stood out most was seeing the community come together to support veteran-based charities. The event provided a unique opportunity for our employees to connect, engage, and give back to a cause that makes a meaningful impact. We had a blast and can't wait to fire up the grill again next year!"

- Jacam Catalyst

Our Annual Event

Each year, thousands gather for a weekend of BBQ, live music, exhibitors, and networking opportunities, all while contributing to life-changing support for veteran organizations. What began as a local cook-off has grown into a signature community event, generating hundreds of thousands of dollars in direct support for veteran nonprofits. Basin Burnout blends entertainment, outreach, and philanthropy into one weekend that truly embodies the spirit of the Permian Basin.

BBQ Cook-Off

The BBQ Cook-Off is the centerpiece of Basin Burnout. Over 40 teams fire up their pits, serving up everything from brisket to ribs in a spirited competition that draws crowds and fuels our mission.

Music Festival

Local artists take the stage during the day and big-name performers headline at night. From start to finish, the music festival creates the energy and excitement that make Basin Burnout unforgettable, and brings in attendees from across the area.

Vendors and Exhibitors

Basin Burnout brings together businesses, nonprofits, and community organizations to showcase their work. Exhibitors gain valuable exposure while aligning with a cause that deeply resonates across the Permian Basin.

Community

The event is a hub for connection while giving back. Teams, sponsors, veterans, and community members come together to build relationships, collaborate, and strengthen the ties that make this region so unique.

Since its inception, the Basin Burnout event has raised more than

\$600,000.

Basin Burnout is built on the power of community.

Every dollar we raise comes directly from the energy, passion, and generosity of the people and organizations that make our annual event possible. From the teams competing in our BBQ Cook-Off, to the businesses sponsoring and exhibiting, to the thousands of attendees who come out each year — every contribution helps us fuel veteran-focused organizations and strengthen their ability to serve.

General Attendance

Basin Burnout is a true community event, open to the public and welcoming thousands of people from across the Permian Basin and beyond. Attendees purchase tickets to experience a full weekend of BBQ, live music, and community connection. Every ticket sold directly contributes to the total funds raised, making each guest an important part of the impact we're able to achieve for veteran organizations.

BBQ Competition Teams

The BBQ Cook-Off portion of Basin Burnout is more than just a contest. Each team that registers contributes directly to Basin Burnout's fundraising efforts, turning their passion for barbecue into meaningful support for veterans. The competition draws teams from across the region, creating an atmosphere of camaraderie and spirited rivalry, all with the shared goal of giving back. Teams can also purchase additional tickets, VIP tables, and various sponsorship opportunities to increase their impact.

Sponsors

Sponsors are the backbone of Basin Burnout's success. Local and regional businesses step up year after year, investing in our mission while gaining meaningful visibility in front of thousands of attendees. Sponsorships not only provide vital financial support but also demonstrate a company's commitment to honoring veterans and strengthening the Permian Basin community.

Party Pits

New in 2026, Party Pits gave industry organizations that did not want to compete in the BBQ competition the opportunity to reserve a dedicated space near our Competition Teams. The addition created a new revenue stream for the Foundation while giving companies a way to host employees, clients and guests and participate in the event without entering the cook-off.
